PROPERTY DESCRIPTION

This home is truly a gem tucked in the middle of well groomed homes, nice neighbors and a community convenient to everywhere! This is a true 4 bedroom home with 2 full baths and a large 2 car garage. Enjoy wonderful upgrades such as Designer Plantation Shutters, raised panel doors, tile and carpeted floors, crisp white PVC fencing around the back yard, updated lighting & a solar powered attic fan to cut down on AC costs. A huge bonus is that the roof was replaced in 2005 with a transferable warranty to the new buyer. The home is wonderfully designed with a split bedroom plan that offers a private Master Bedroom Suite, a large great room, dining adjacent to the spacious & bright kitchen, 3 additional bedrooms (for lots of family or guests, office/den, fitness area, sewing room, etc.) & a yard large enough for a future pool and the dog! Close to the community ballpark and play area, and an easy commute to the beaches, airports & downtown. What an opportunity! Short sale subject to bank approval.
