PROPERTY DESCRIPTION

Great Seminole location. Wonderfully well-kept neighborhood with nice landscaping, manicured lawns and shade trees. The home has nice updates and has been very well cared for. The home has a split bedroom plan with a large master suite with a slider out to the light and bright Florida Room. The Florida room, with vented A/C, overlooks the screened solar heated pool. The roomy, eat-in remodeled kitchen with silestone counter tops, newer cabinets, and a large breakfast bar is large enough for a table and chairs and is great for entertaining. Inside laundry room, ceiling fans, French doors are just a few of the amenities. A/C Air handler, compressor and ductwork replaced in 2006. Newer roof (2006) with transferable warranty. New Pool Pump and Hot Water Heater (July 2010). Bask in the solar heated pool or enjoy the hot tub. Fire up the gas grill and live the Florida Lifestyle!
