PROPERTY DESCRIPTION

Beautiful, centrally located, pool home. Totally remodeled over the last few years and ready to move into. Brand new, never used, spacious kitchen with granite countertops, stainless steel appliances, maple cabinets and space for table or island. All upscale materials used. Dimensional shingle roof (new 10/09), new skylight in family room, wood burning fireplace with new damper, whirlpool dryer and GE Profile washer, hot water heater (07), all appliances included. Master and Hall baths remodeled with contemporary vanities, granite tops and lighting. All new flooring, ceramic tile throughout with sculptured Berber (03/10) in bedroom. Detailed crown molding, fresh paint inside and out, new beveled glass front door and most new interior 6' panel doors with new hardware and 7 ceiling fans put the finishing touches on a house you'll be proud to call home. Gracious double French doors lead out to the hot tub and aggregate finished pool. Enjoy the expansive deck and large fenced backyard with a great storage building. This home is located in a wonderfully quiet, centrally located neighborhood with no deed restrictions but nicely maintained. You would never know you are surrounded by shops, restaurants, highly rated schools, and easy access to anywhere from the east or west neighborhood access points. Close to golf courses, Clearwater mall, a short drive to downtown, the beaches, and only 20 minutes from the airport and Tampa. Enjoy all of the best that the county has to offer.
