PROPERTY DESCRIPTION

As if a spacious 5 Bedroom, 2.5 Bath, 3 Car Garage on a large landscaped lot weren't enough amenities for your perfect place, that's just the beginning of what this home has to offer. Elegance and style describe the updated rooms with a Living Room large enough for a Baby Grand Piano, a family room with a fireplace large enough for a billiard table & comfortable seating, and a large Master Bedroom Suite that includes a spacious additional sitting room, library or office adjacent. Gleaming real Hardwood Floors add the warmth, and elegant travertine tiles add the sparkle, in this custom decor. Great design provides for great flow for living and entertaining and the split bedroom plan ensures privacy and creates a master suite oasis. A Large updated kitchen has granite counters and travertine floors, European style smart white cabinets, a snack bar, a wall of pantry space and a planning desk area. The home is light and bright with large well placed windows that wash the home in natural light and views to the verdant landscaped yard. And as a special treat, invite your friends to join you and relax in your custom pub with atrium doors, bar and pavered patio outside. Although you may never want to leave this home, if you do you are merely minutes from the beach, Honeymoon Island and the Ferry to Caladesi Island, Number 1 again on Dr. Beach's America's top beach list! Nearby restaurants, shopping, schools, malls and Tampa and the Airport less than 30 minutes away make this location one of the best in the area. Call Gwen or Doug (727-939-1515) to arrange your personal tour of this wonderful home.
